L'eleganza si ha quando una cosa corrisponde al suo concetto
(I. De La Fressange).

Così la più preziosa delle pietre ispira il design di questa collezione, ricca di sfaccettature e di luce.

Grazie all'impiego di diversi materiali come la prestigiosa pergamena, le esclusive fusioni in bronzo, le magistrali sculture in legno, nascono oggetti d'arredo unici ed esclusivi, realizzati interamente a mano, che impreziosiscono il Vostro spazio come un luminoso Solitario.

Pura eleganza, preziosa essenzialità.

Ancora una volta Tura Iniziative di Arredamento mantiene l'esclusività attraverso la semplicità.

Senza rinunciare all'uso della pergamena, materiale che caratterizza la produzione Tura fin dalla sua fondazione nel 1939, la collezione Diamond rappresenta la nostra costante evoluzione creativa e tecnologica, continuando ad esprimere il talento artistico dei nostri Maestri artigiani.

Elegance comes when the result corresponds to its concepts
(I. De La Fressange)

The most precious stone inspires the design of this collection, rich of facets and light.

Thanks to the use of different materials, such as the prestigious parchment, the exclusive bronze fusions, the wooden sculptures, we produce unique and refined furnitures, hand made and precious like a glittering Solitaire.

Pure glamour, precious essentiality.

Once again Tura Iniziative di Arredamento maintains exclusiveness through simplicity.

Following the traditional use of the parchment, characterizing Tura's furnitures since 1939, the Diamond collection represents also our constant creative and technological evolution showing, at the same time, the artistic talent of our Master craftsmen.
